09.08 Progress check at age two

- A template for completing the two-year-old progress check is used as required by local Health Visitors.
- The key person is central to the progress check and must be the person completing it.
- A progress check is completed when the child is between 26 and 30 months old. The child should be attending the setting for at least 1 term before the check is completed.
- Health Visitor is sent a copy if there are concerns.
- The setting must seek to engage both parents and make allowance for parents who do not live with their child to be involved.
