- ❖ Friday 17th December - Autumn term ends for Christmas holidays
- ❖ Tuesday 4th January – Inset day
- ❖ Wednesday 5th January 2022 – Spring term begins

Collection time and drop off time

In September our drop off time will return to the pre Covid time of 9am unless they are booked in for 8.45am drop off. Collecting children at any time will also be from the Preschool gates and the school gate will be opened at the relevant times for you to come through. We have found that the children have had less difficulties with separation this year so we will keep drop off at the gate.

Illness

If your child is unwell please either phone or email the office to let us know. We need to record this on the register. If we have not heard from you by 9.30 we will call.

Nuts

From September we need to become a nut free setting. Could you please ensure your child does not have nuts in any form in their lunchbox. Including chocolate spread and Nutella.

Goodbye

We are not only saying goodbye to the children going to Reception class but we are saying goodbye to Fran. She has been with us for 3 years, initially as a student and then our apprentice. Fran is moving onto university to become a Norland nanny. Fran you have been amazing! Thank you and congratulations on getting your place on the course.

Belongings

We will send home your child's wellies, sunhats, slippers, bags, bottles etc during their last week as some of these will need replacing, usually due to a change in size. Please bring a new set back in September.

Covid 19

At this point I can only assume that we can return to Preschool with some sort of normality. If things change towards the end of the summer, I will contact you by email to give you any necessary updates.

I would like to thank you for your support and understanding throughout the past year. Covid has set us challenges but we have successfully managed to avoid it in the setting.

Happy holidays everyone. If you need to contact us at all over the holidays, email and we will get back to you. Have fun.
