Healthy Lunch

Please consider the following guidelines when packing your child's lunchbox.

A lunch box provides a valuable contribution towards a child's nutritional requirements for a day; therefore they need to be both healthy and appetising.

A healthy lunch box should contain:

- A Good portion of starchy food, for example wholemeal roll or bread, pitta, pasta or rice salad
- Plenty of fruit and vegetables, for example an apple, satsuma, cherry tomatoes, cucumber or carrot sticks, raisins
- A portion of dairy food, for example cheese or yoghurt
- A drink, for example unsweetened fruit juice diluted 50/50 with water or water

Food that should be limited:

- Restrict foods high in fat, salt and sugar
- Do NOT include sweets or fizzy drinks
